

When do I need to send out my Save the Dates and Wedding Invitations?

Save the Dates usually go out 6-8 months before the big day; 8-10 months for destination or holiday weekend weddings. For Wedding Invitations, the rule of thumb is 6-8 weeks and RSVP cards can be returned one month prior.

How much do custom Save the Dates and Wedding Invitations cost?

Couples have the ability to customize all projects to fit their vision and budget. I also provide discounts for couples looking for multiple items. For the most accurate pricing, I recommend setting up a quick consultation via phone/email.

How long does the process take?

Production times vary based on individual project needs but typically takes 4-6 weeks once the final proof is approved. I can help with RUSH orders as well for a 15% fee.

Are envelopes included?

Yes, of course! Anything that gets mailed comes with your choice of envelope. I provide a wide range of colors and styles.

Do you offer envelope addressing?

Yes! I offer digital calligraphy printed directly on your envelopes to match the fonts and colors of your invitation. I also offer stylized address labels for darker envelopes.

Should I order extras?

I recommend ordering at least 10 extra just to have on hand - for keepsake, photographers, wedding planners, vendors, etc. Printing additional invitations after a project is completed can be done, but will be a little more expensive.

Is shipping included?

There is a flat rate shipping fee of \$15 for local shipping. Outside the NJ/NY area and international rates may vary.

Can you help with wedding day stationery as well?

Of course! I can help with anything and everything you need to help prep for your big day - Ceremony Programs, Wedding Favors, Name & Table Cards, Menu Cards, Hotel Welcome Bags, etc. I also can help your family and friends with Bridal Shower invitations, game cards & thanks yous, Bach party items and Rehearsal Dinner/Post-Wedding Brunch Invitations.

Do you work with couples outside of NJ/NY?

Absolutely! I work with couples both in and out of the country. I can connect via phone, email or Facetime/Skype.
